Hockey still the law for Arkell

By Kevin Mitchell
Vernon Morning Star

He played junior A and college hockey, but Tom Arkell's sports memory bank has a special place for his days as captain of the Watkin Motors Pee Wee Mustangs.

"One of the highlights of my hockey career was carrying the Canadian flag as captain during the opening ceremony of the Winter Carnival tournament," said Arkell.

The towering winger/defenceman translated a successful hockey career into a law practice in Bloomington, Ill. Arkell's Christmas break included a seat at the Champs Sports Bowl game in Orlando with his alma mater Notre Dame Fighting Irish battling the Florida State Seminoles.

He attended some Notre Dame Monogram Club meetings with a few former NFL and NBA players, leaving the board room "still feeling like a kid from Vernon, which will always be home."

The 41-year-old father of three volunteers as a youth travel hockey coach and is on the board of directors of a youth hockey association.

After graduating in 1994, Arkell earned his law degree from Notre Dame in 1997. His father, Ken, who played 20 games as a 6-foot-8 linebacker with the B.C. Lions in 1956-57, is a retired Supreme Court Judge, while his older brother Jim, a former litigation attorney in Texas, is now a professor of law in China. Tom has two sisters, Karyn and Kathryn.

Arkell first learned how to juggle books and hockey with the Nanaimo Clippers of the then B.C. Junior Hockey League.

"It was pretty dirty back then," laughed Arkell, who earned rookie of the year. "I went to Nanaimo because I played (for Vernon) against a team

coached by Bill Bestwick at the North Shore Winter Club and fortunately I played well enough to make the all star team.

"Junior hockey forced me to become much tougher both physically and mentally. The entire team slept on an old school bus at the ferry terminal after road games on the mainland. We were not coddled like many players are today.

"The junior game was very physical in the late '80s. My dad taught me how to box at a young age so I knew how to fight and ended up with over 250 PIMs in junior, but I started to spend too much time worrying about fighting and not enough time concentrating on skills."

He was a defenceman from '90-94 at Notre Dame and became the first-ever monogram winner from B.C. after earning a letter his freshman season. He received the team's academic excellence award for the 1992-93 season – the same season the team traveled to Switzerland.

Aside from rehab time with some major injuries, Arkell learned many wise lessons at Notre Dame.

"NCAA hockey taught me the importance of discipline and time management. The training and travel schedule was rigorous and you had to use your time wisely to study and train. It also taught me the importance of having an education because I was injured often and realized my hockey career was going nowhere if I could not stay healthy for any extended period of time."

As a coach, Arkell definitely uses philosophies he picked up along his hockey journey.

"I believe in hard work, the importance of team work and discipline. I focus on skating and skill development. I also incorporate something fun in every practice because the game has to be fun for the kids. You want to keep them coming to the rink."

PRESIDENT'S MESSAGE

On behalf of the Greater Vernon Minor Hockey Association Executive, staff, volunteers and members, I would like to welcome all the players, coaches and families to the 41st Pee Wee Tier 1 Coca-Cola Classic!

Everyone has been looking forward to this year's tournament. Some of the best hockey memories for our players and coaches are annual tournaments like this. Being surrounded by friends and teammates, and the feeling of belonging to something bigger is what it is all about. I am happy to be a part of the excitement!

As an Association, we embrace the philosophy of "Team First", which reminds us all to respect the other team, the officials, the other fans and volunteers. Experience has shown us, that this tournament brings out both local and visiting hockey fans from all over for the best Pee Wee hockey around.

Best of Luck to all the teams!

The Mustangs play in the OMAHA Tier 1 division with top ranked teams Kelowna and Kamloops, and a strong team from Prince George.

The team is made up of 15 players born in 1999, 2 of which are returning from last season, and 3 players born in 2000. The Mustangs have good team speed, and exceptional goaltending. The boys are a committed and hard working group that have been exposed to a variety of training methods with the goal of "getting better everyday."

The Mustangs have worked hard to close the gap between themselves and their league opponents. Vernon has managed to tie the No. 2 ranked in BC, Kelowna, and have had 1 goal games with No. 5 ranked in BC, Kamloops. Vernon has also split the last 4 games with Prince George. The boys had success up north, winning the tournament in Williams Lake, and making it to the A final game in Prince George by beating highly ranked Seafair from Richmond.

We have travelled to 3 tournaments this season, finishing 4th at Burnaby Winter Club, 7th in Langley, and 1st at the Chilliwack tournament over the Christmas break. The team is focused on having a great showing in Vernon and looking forward to the entire Coca-Cola Winter Classic experience.

We found out that one of our goalies (Bryce Schiebel's) father Brian won this tournament 3 years in a row with Cowichan in 1984-1986, and he is hoping to follow in his father's footsteps at the tournament.

Middle Row (L-R): Ryan Schram (Asst. Coach), #17 Brennan Gaytmenn, #11 Jordan Bogress, #8 Aiden Hansen-Bukata, #13 Zefan Pighin, #18 Jake Mallard, #10 Wyatt Elmer, Owen Pighin (Head Coach).
Back Row (L-R): #14 Nathan Kelly, #12 Ethan MacLellan, #6 Jacob Kennedy, #7 Mike Matson, #5 Vaughan Bamford, #15 Thomas Garey.

The A1 Storm proudly represents the South Delta Minor Hockey Association. We play in a 9-team league, which includes elite hockey programs like North Shore Winter Club A1 and Burnaby Winter Club A1. We had a very good showing in our first tournament (AAA Challenge) where we tied BWC A1 and had victories over Semiahmoo A1 and Seafair A1.

The 2011/12 Pee wee A1 Storm consists of 15-second year and third-first year players. Our two goaltenders are both second years and are capable of stealing games for us on their own. We have 7 defencemen on our roster that move the puck very well and can play in all different situations. Up front we have three solid lines that provide us both scoring and tenacious defence that has contributed to our success on the power play and penalty kill this season. They are a fast, hard working group that play a sound team game and are very disciplined.

The Storm is coached by Owen Pighin who has over 28 years experience behind the bench from the grassroots level all the way up to provincial and national levels. Our team manager is Kellie Elmer and our team trainer is Garret Gaytmenn. The assistant coaches are Rob Bogress and Ryan Schram. Ryan played in the Winter Carnival Tournament, for the host team back in 1994. Ryan says "It's an experience like no other."

This years coaching staff has put together a well composed, hard working and entertaining hockey team that would provide great competition for any teams that have the privilege of being selected for this prestigious tournament.

The Vancouver Thunderbirds is the largest minor hockey association in the City of Vancouver with approximately 1000 kids playing at different levels. The 1990s and 2000s are a strong group and have played together through Atom & Pee Wee. In their first year Atom, these players won the "Gretzky Foundation" award for community excellence for the western region. At the Atom level 2 years ago, our A1 team finished 2nd in Tier 1 in the playoffs behind the Burnaby Winter Club's Atom A1 team. To start this season, we won the Burnaby Winter Club tournament beating Burnaby Winter Club 4-2 in the final. Last year our team finished middle of tier 1. Hopes for this year is to be final four in tier 1. We have 14 second-year and 3 first-year players. My coaching philosophy is to play a wide open, clean brand of hockey.

Ernie Kowal Trophy - COACH'S AWARD

Ernie Kowal was active in Junior A and minor hockey in Vernon since moving to the city in 1958.

'Esso Ernie' served as a coach, manager, vice-president and president in the Vernon Minor Hockey Association and was an owner with the Vernon Esso's of the B.C. Junior Hockey League.

A volunteer firefighter and former member of the RCMP Auxiliary Force, Ernie died Dec. 12, 1997 at the age of 63. He is survived by his wife Viv, son Tom (now an NHL referee) and daughter Sue.

Ernie and his brother-in-law, Vern Dye, ran the Junior A franchise in Vernon for more than 20 years and the two men used their own vehicles to transport players on road trips.

Ernie coached the juvenile Reps in 1983 and made national headlines with a no-swearing policy on the team. He was named provincial coach-of-the-year in 1985 after he and Tom led the Vernon Atom Reps to the Okanagan title.

2011 COACH'S AWARD

Dan Holden of the Spokane Jr. Chiefs receives the Ernie Kowal Memorial Trophy as Top Coach of the tournament from Ben Morin, Kowal's grandson.

SYNERGY ST
STICK TECHNOLOGY

Lead the assault while delivering unstoppable slapshots with the Synergy® ST Stick. With raw power and precise accuracy, it's no wonder the Synergy® ST is the most feared stick on the ice.

PURE SHOX POWER
Shox™ Technology uses a resin transfer molding process that gives our blade unique characteristics – making pucks stay with your blade through impact.

SYNERGY TUNED PROFILE
Easton's legendary Synergy® shaft, reinforced with multiple layers of high grade carbon, uses a proprietary compression molding process wrapped in a ballistic Kevlar®. Synergy™ tuned profile makes this stick a force to be reckoned with.
