## FUNK FINDING FULFILLMENT

BY SEAN McCONKEY

FIRST TIME SPORTS WRITER

Vernon BC's and Coca-Cola Classic alumni Zac Funk earned the prestigious title of WHL Player of the Month back in September/October 2023 and has been lighting up the WHL ever since.

In the 2015 Coca-Cola Classic, Funk found himself in the "C" final beating out Bow Valley 6-4. And in 2016, Zac and his teammates won the tournament 5-3 over Idaho.

A few years later, Zac rang up 21 goals and 52 points in 28 games with the Yale Hockey Academy Bantam Prep team in Abbotsford and was then taken in Round 2, 43rd overall, by the Calgary Hitmen.

At the age of 20, Funk showcased his exceptional skills by accumulating an impressive 30 points (14 goals, 16 assists) in just 14 games, catapulting him to the top of the WHL scoring charts as the season transitioned into November. His remarkable performance places him first in the league for points and goals.

Expressing humility, Funk attributed his success to the collective efforts of his teammates, stating, "It's an honour to be named Player of the Month. This doesn't happen without my teammates. We are gelling right now, and I think that has really helped with everything, and hopefully, we keep it going."

Funk commenced the season with a stellar start, earning the Tempo WHL Player of the Week title on September 25 after delivering seven points (3 goals, 4 assists) in two games during the opening weekend of the 2023-24 WHL Regular Season.

As a 6-foot, 210-pound right winger, Funk demonstrated consistency with three instances of five-point performances throughout September and October. Notably, he achieved a five-point effort (3 goals, 2 assists) on Friday, September 22,

in a 9-0 victory against Tri-City, another five-point contribution (2 goals, 3 assists) on Friday, October 6, in a 6-4 home triumph over Wenatchee, and a third five-point showcase, securing a hat trick with two assists in a 7-1 victory over the Kamloops Blazers on Saturday, October 21.

In total, Funk has delivered eight multi-point performances in the first 14 games of the season.

From October 4 to October 21, Funk enjoyed a six-game point-scoring streak, accumulating 17 points (9 goals, 8 assists). Impressively, he leads the WHL in power-play goals with nine.

This season marks Funk's first full season with the Cougars since his acquisition by Prince George at the 2023 WHL Trade Deadline. In 45 career WHL Regular Season games with the Cougars, he has amassed 56 points (27 goals, 29 assists) and a plus-26 rating. During the 2023 WHL Playoffs, Funk contributed eight points (5 goals, 3 assists) in 10 games.

Originally selected by the Calgary Hitmen in the second round (43rd overall) of the 2018 WHL Draft, Funk has tallied an impressive 177 points (94 goals, 83 assists) in 200 career WHL Regular Season games.

As of November, the Prince George Cougars lead the WHL with a record of 10-4-0-0, standing as the highest-scoring team in the league with 74 goals in 14 games (5.29 goals per game). Thanks in part to Funk's contributions, the Cougars boast the top-ranked power play in the WHL, converting on 36.1 percent of their opportunities.

Funk notched his sixth hat-trick of the season and 40th goal, lifting the Cats to a 6-2 win over the Wenatchee Wild at the Town Toyota Center on Jan 3rd.

As of Jan 28th 2024, Funk has 78 points with 43 goals, 35 assists, is +33, 49 PIM, 21 Power play goals, 5 game winning goals and averaging 1.66 PTS/G with the Prince George Cougars.

## 2023 TOURNAMENT BANQUET

The 50<sup>th</sup> Annual Coca-Cola Classic banquet started off with an inspirational video about former NHLer, Brent Gilchrist. Gilchrist then spoke to the kids about what his path to the NHL was like. Chad Soon donated two Gilchrist hockey cards which Brent then signed and gave away with correct trivia answers. The Leduc Roughnecks posed for a picture with their Coca-Cola swag on. Coca-Cola Classic T-Shirts were given out to some of the stand-out hustler's of the tournament and was followed by an autograph session by Brent.

The Penticton Knights U13 Tier 1 Team is a newly formed south regional team who play out of Penticton Minor Hockey Association and represent West Kelowna, Peachland, Penticton, Osoyoos, and Cawston this year. Our Okanagan Mainline Amateur Hockey Association is trying these new regional teams to provide more local Tier 1 teams to be formed. This allows Penticton (South Region) to form this new Tier 1 team that invites high level players to try out from West Kelowna to Osoyoos. This team has been competitive in the OMAHA Tier 1 league and is currently 1st as of December 12th this season.

The coaching staff is led by Tyler Liebel who brings years of knowledge both through playing at a NCAA Div 1 and at a Pro level. He also spent some time coaching in the KIJHL, Simon Fraser University, and currently runs development with Hockey Canada. Alongside Tyler are assistant coaches Derek Ruck, Jim Liebel, and safety person Doug Leitner. The coaching staff brings great hockey knowledge and development to these players. We have power skating and skills specialists and some who work with systems. They stress the importance of teamwork, commitment, focus, work ethic and keep expectations high. We are also lucky enough to have some off ice training by Mark Fitzgerald who specializes in Off Ice Training and Nutrition. Mark has spent the last 15 years working with athletes from a variety of sports at every level. He began his career with the Toronto Maple Leaf's organization and most recently was the head of performance for the Anaheim Ducks.

The team is comprised of 12 second year players and 5 first year players. We hope to keep our compete level high all year. Our goal is to win our league banner and then push on to Provincials. This group skates with passion and plays with purpose! We preach that champions are made through dedication on and off the ice!

A Vernon Mustang Alumni player was honoured with the first star of the week Dec. 12, 2023 for his play in the National Collegiate Hockey Association (NCHA).

Nicholas Cherkowski was given the award after five points in two games. The junior forward plays for the Marian University Sabres in Indianapolis. He scored once and had four helpers in a two game sweep of Concordia Moorhead. Four of his points came in the second game, where he registered a goal and three assists in the first two periods of the team's 5-3 victory.

Currently, Cherkowski is ninth in league scoring, with 14 points (six goals, eight assists) in 13 games.

The 23-year-old grew up playing in the Vernon Minor Hockey Association and playing in The Classic in 2013. Nicholas

shared The Classic program cover in 2020 with his sister Anne Cherkowski, who also played in the tournament in 2014. She brought home a silver medal at the 2019 Women's World Under 18 Hockey Championships in Slovakia. After the Classic, Nicholas started playing for the Pursuit of Excellence minor hockey association, before playing parts of three seasons for the hometown Vernon Vipers. He was traded to the Wenatchee Wild in the 2019-20 season, and then shipped to the Chilliwack Chiefs in that season.

In 2020-21, Cherkowski had a cup of coffee with the AJHL's Calgary Canucks before committing with Marian University.

In his NCHA career through three seasons, he has accumulated 43 points in 66 games.

The Sabres are currently just 2-6 for ninth in the 10-team conference.

The 23-year-old Vernonite Nicholas Cherkowski was named the Star of the Week in the NCHA league for his exploits with Marian University. (Contributed)
